

Dear SLD Read Tutors and Families,

In order to help support the community's response to the COVID 19 virus, and for the health and safety of our tutors and families, SLD Read is suspending all tutoring until March 30. At that time we will reevaluate the situation and make decisions regarding tutoring. We are currently looking at options for delivering tutoring through a virtual platform and will have more information in the coming weeks. The offices will be operating by appointment only, with limited staffing. Please reach out via email or phone if you need to speak with a staff member. As we navigate through an unprecedented situation, we appreciate your continued patience and support.

Regards,

Amy Walker
